

## Flinders University Sport and Fitness scholarship information sheet

---

Flinders is a member of the Elite Athlete Friendly University (EAFU) program that supports Australia's elite athletes to achieve academic excellence while also pursuing a sporting career. We recommend all athletes apply for Elite athlete status. For more information see the website [www.flinders.edu.au/eliteathlete](http://www.flinders.edu.au/eliteathlete)

At Flinders University, we appreciate how difficult it is to combine elite and high performance ambitions with an academic workload. Flinders University Sport and Fitness offers up a number of sporting scholarships each year to assist athletes to combine their study and sport.

Dates for application closures are; 29<sup>th</sup> March 2018 and 10<sup>th</sup> August 2018. To download a form and for more information see [onesportandfitness.com.au](http://onesportandfitness.com.au)

### Sporting scholarships : Eligibility

Competing at the highest level in your state or above:

- International – representing Australia at senior and junior level
